Due to lack of news on the club runs something to talk about is the new arrival to our MG family at Bez & Fran's Ranch. It has already been operated upon and dissected for its best goodies. We are also awaiting news from Sat/Nav on his new MG Make Over and Detoxed bodywork.

"A FRIENDLY NIGHT OUT"

Community Farm Halloween night

31st October 2007

Hayden, Karen, Sue, Geoff, Bryony & Katie1, Katie2 went on Halloween to Cwmbran Community Farm. There were games to play like bobbin apples but you could not stop Karen cheating and holding on to the apple though. We all had a tour of the animals there was one goat that looked surprisingly like beryl, Although it could not be as this is her special day and she was out on her broom. We had burgers and drinks It was a shame that at the end Hayden had to take his mask off, because it was an improvement. Bryony and the two Katies found the disco and it was not long before they were out there dancing at the end we parted quite late and very tired but it was fun.

USEFUL CONTACT

City Motors, Telford St. Newport (off Corporation Road) Tel. 01633 253344 "Phil the Bucket" was introduced to me recently (SH) he has recently purchased a MG GT which he is renovating. What I was interested in was the fact that he does high standard cheap welding to MOT Standard. He is an all round mechanic from the old school and a good contact for us to use.
